RECREATION SURVEY

Hamlin Township will be working over the next few months updating the 5-year Recreation Plan to submit to the Michigan Department of Natural Resources for their approval. An approved plan is required before MDNR Trust Fund grant applications can be submitted. Please complete the short survey on the back. This survey will be available online at hamlintownship.org and at the township offices during regular business hours. Responses should be returned by **March 29, 2019**. A public forum will be held on April 25, 2019 at the township hall at 6PM to gather public input on recreation opportunities in the township. After this information is compiled an updated plan will be completed and made available to the public for a 30-day review period.
Thank you for your input.
